Seriously Outdoors Newsletter

October 2019

Welcome to our October Newsletter.

Hello one and all. Yes we are into spring and daylight saving is here. The weather just needs to sort itself out and we are all primed ready for some fishing. We have some great deals on quality gear so don't miss out.

If any one has been white baiting or surfcasting on the west coast how about giving us some feed back on how it is fishing so we can share that with our local fishermen and women. On the second hand firearms front we have had 4 rifles come in to sell on behalf. A suppressed Howa 223 Mini action with scope AS New. A Mossberg suppressed 270win with scope and as new Winchester model 94A2 30/30win. If you are into lever action rifles or left handed this is a "beauty".

A Tikka suppressed 270 win blued /wood in very good condition.

Tight Lines and Hot barrels to you all . Regards Ken.

Just a thought from Gill.....*I know you probably don't want to think about this BUT... **Christmas is only 12 weeks away!!** Why not start shopping and putting your family's presents on **LAYBUY NOW** so you don't bust your bank account in the most expensive time of the year. Imagine a Christmas where you have already purchased (and we have gift wrapped) everyone's prezzies and you can relax and just think about what food (and wine) you will be serving on the big day!!*

Gill's Last Bodybuilding Competition!!!

I am on my journey to the NABBA Nationals held in Palmerston North on Labour Weekend. Wish me luck!!!! This will be my very last Competition. I will be re-inventing myself as a Granny, a knitter and a gardener! All my other passions that have been on the back-burner while I concentrated on bodybuilding.

Carrie will be working the Saturday 26th October 9am till 1pm. Don't forget to call in to say hello!!

The 2019/2020 Fish & Game Trout Season has just opened.....are you and your gear ready?

- * New Licence.....Yes/No?
- * Time to upgrade to a new fly rod?
 - Orvis...top of the range
 - TFO...mid to top range
 - Echo...entry level through to top range
- * Combine these rods with their matching reels for outstanding performance.
- * We have a wide range of spin rod and reel combos to choose from too.
- * Waders... check for wear & tear? Still waterproof? Upgrade to breathable waders for hot summer fishing?
- * Check your line/fly box contents and the other myriad of “must haves” to be ready for this season of trout fishing.

What's your favourite.....Boat, Wharf or Rock Fishing, Surf Casting???? Or all of the above!!!!

- ♦ Have you checked your reel since you put it away...Yes/No?
- ♦ Does it need a service, repairing, replacing and/or upgrading to the latest technology...Yes/No?
- ♦ Have you checked your mono? Does it break easily? Yes/No?
- ♦ Have you checked your rod (specially the tip)...Yes/No?
- ♦ Are all the ferrules in good condition, missing or worn out?
- ♦ How's the tackle box contents? Is it “one big mess” or is it “fishing ready”?
- ♦ Interested in what's new on the market this season....come and check out all the options in store or, if you have a specific set-up in mind, let us give you a very competitive price to build your own combo.

Warwick and Liz were having some problems at home and were giving each other the "silent treatment."

But then Warwick realized that he would need his wife to wake him at 5:00am for an early morning drive with his pals to a golf match.

Not wanting to be the first to break the silence (and lose the war) he wrote on a piece of paper, "Please wake me at 5:00am."

The next morning, Warwick woke up, only to discover it was 9:00am and that his friends would have left for the golf course without him.

Furious, he was about to go and see why Liz hadn't awakened him when he noticed a piece of paper by the bed.

The paper said, "It is 5:00am. Wake up."

Men simply are not equipped for these kinds of contests!!!!
